

July 2023

Dear Parents and Carers

As we reach the end of this academic year we would like to take this opportunity to highlight some of the successes this half term, communicate arrangements for September and inform you of some school-wide changes that you need to be aware of. Please do also have a look through the stories on our Twitter and Facebook pages.

Phase 1

This half-term has been a successful one for Phase 1 students with a record number of students receiving rewards badges, spirit points and Children's University certificates. We are very proud of the participation of our students in school events and on student leadership teams. In particular, a special mention goes to those students that supported with Year 7 Induction Day for the students who will be joining us in September. The student leaders were exceptional role models and helped the day to run smoothly and successfully. On Tuesday 18th July we had our Phase 1 Awards Evening to celebrate students nominated by their class teachers and the phase team. A special well done to Ethan and Ella in Year 8 and Lloyd and Sophia in Year 7 who received the Head of Phase award for their drive to work hard, be kind and take responsibility every day.

Phase 2

We are so proud of all of the achievements Phase 2 students have gained this half term. The Duke of Edinburgh students that have completed another outdoor challenge have all shown important life skills of perseverance and teamwork. Lastly, in Year 10, we were so proud of the attitude and commitment we saw when applying themselves to the Year 11 trial examinations. Students gained a valuable experience and we were impressed with the amount of preparation that many of them had done for these trials.

Year 9, saw many of our students supporting the school show School of Rock, being involved in student leadership events such as Children's University, Year 6 induction day and participating in Sports Day events. We now look forward to Year 9 starting their GCSE and BTEC courses.

It was a real pleasure to see and recognise some outstanding achievements at our Phase awards this week, well done to all students who gained certificates and badges for showing the attributes of the Coleshill Learner so consistently.

Learning and Achieving Together >

Sports Day

On Monday 17th July we had the school sports day. The weather just about held off through the morning to allow for rounders and softball competitions across KS3. The afternoon athletics events on the field were fiercely competitive but lots of fun and after the total scores were counted, Dudley came first, Beauchamp were second, followed by Newburgh and Greville respectively. The event was a major success and enjoyed thoroughly by all. We would like to thank the students for their excellent behaviour and engagement through the day, and also to the staff for supporting the running of such a memorable event. *Mr Wilkinson.*

'School of Rock' Production

The amazing production of 'School of Rock' took place this half term and it was a resounding success. We would like to pay special tribute to those students and staff that worked so hard in making it happen. The success of the show is testament to their dedication and effort over a number of months and we are so proud of their achievements.

Uniform

The full uniform requirements can be found at:

<https://coleshill.warwickshire.sch.uk/parents/school-uniform/>

We would like to take this opportunity to remind parents and carers that the following items are not permitted in school:

- Hoodies (both zipped and pullover). Students should have a waterproof coat in addition to their blazer
- Gilets
- Over the shoulder pouches / bumbags – students should have a school bag/backpack
- Shoes that are not black and polishable

Thank you for your ongoing support in ensuring that students are well equipped and in correct uniform each day.

Inclusion

There will be some changes to the inclusion department, over the summer period, which will include the department relocating to E block and having a complete refurbishment. In addition, we will be making some further changes to some of our systems, where SEND students will no longer be issued with time out and early exit passes, instead movement breaks and regulation techniques will be implemented at the teachers’ discretion. Individual students have been spoken to in order to support these changes. Additional support, if required will be highlighted on the student passports and shared with teachers. If you would like to have further discussions around this please contact inclusion on our return in September and we would be happy to discuss.

Return to school on Wednesday 6th Sept 2023 for years 7, 12 & 13

Year 7		Wednesday 6 th Sept 2023	Thursday 7 th Sept 2023	Friday 8 th Sept 2023
