10 – to – 11 Newsletter

vol. 2

Dear Parent / Carer,

Following on from my newsletter last week, I wanted to share with parents the **Showbie code** for the group where your child's revision is centrally stored for their upcoming mock examinations.

A reminder, during the next few weeks, it is extremely important pupils bring a fully charged iPad to school each day to engage fully with our revision programme.

I will be sharing more information on the importance of these devices in our parent information evening in September – but in brief the latest research shows that pupils who utilise technology for revision make up to 6 times more progress!

Mocks give an essential opportunity for students to familiarise themselves with the format and content of GCSE papers and provides both them and their teachers a clear indicator of current and future academic performance. It is vital that pupils give 100% effort to all revision and mocks as they will yield essential information on areas of strength, weakness and misconceptions at an individual level.

I wish every Year 10 student the very best of luck with their mocks. Please do not hesitate to contact me regarding any of the above should you wish.

Your Sincerely,
Mr Simmons
Assistant Headteacher (Raising Standards Lead)

iPad Showbie Code for Revision Material

- G3KZA
- Group Name is 2023-24 Y10 HT6 Revision'

Key Date Reminders:

- **17th – 21st June:** Revision Week
