

December 2024

Dear Parents and Carers

As we approach the Christmas holiday, I would like to take this opportunity to thank you for your continued support throughout this term and wish you and your family a restful break.

We are incredibly proud of our Sixth Form Students.

Thank you to all the parents and carers who attended our recent parents' evening. Your engagement and support play a vital role in your child's progress, and we greatly value the opportunity to discuss their achievements and next steps with you. We look forward to welcoming you to our next parents' evening, which will take place on **Thursday 27th March 2025**.

Year 12

This first term, we have been incredibly impressed with the dedication Year 12 students have shown to their independent studies. They have embraced the demands of sixth form with maturity and focus, taking responsibility for their learning. Many have also begun exploring their next steps, whether through university research, career planning, and engaging in enrichment opportunities, setting a strong foundation for their future success.

Year 13

Year 13 students who have worked exceptionally hard this term, particularly as they recently completed their mock exams. Their commitment and determination have been commendable, and we are confident this preparation will support their success in the upcoming summer exams.

Uplearn – The New Learning Platform

If your child is studying A Level Psychology, Biology, Chemistry or Physics you will have received some information about UpLearn. This revision platform will play an essential role in helping our students to prepare for their examinations in these subjects. A special congratulations goes to all students who have participated in Uplearn activities. Together, we have completed an incredible 453 hours of hard work and dedication. This outstanding effort demonstrates the determination of our school community, and we know this commitment will pay off in the final A-level exams.

Key Dates and Reminders:

- UCAS 2025 Deadline for Year 13: Please ensure all applications are submitted by 29th January 2025.

enquiries@thecoleshillschool.org.uk
Tel: 01675 462435
Head of School: Miss R Brindley

We ask for your support in ensuring students are well-prepared for these exams, including revising during the break and attending any revision sessions provided by the school. Where applicable pre-release materials have already been issued. Students have been provided with revision resources which should be used at home during the break. If you have any further enquiries, please do not hesitate to contact us on sixthform.info@thecoleshillschool.org

Thank you for your ongoing support in helping our young people aim high and support in taking responsibility for their future success.

Kind Regards

Sixth Form Team
