

Dear Parents and Carers

I am writing with information about results days for GCSE and A level students.

#### A Level/BTEC (Level 3) - Year 13 Results

A level results day is Thursday 18<sup>th</sup> August – students can collect their results in school from 9.00am until 11.00am.

Staff will be on hand to deal with any issues around university entry, clearing and next steps.

If you are unable to collect your results in person, please e-mail Miss Hodgkinson in advance of results day – [hodgkinson.j@thecoleshillschool.org](mailto:hodgkinson.j@thecoleshillschool.org) – with a student e-mail address and your results will be sent out. Alternatively, your results can be collected by a third party on the day if you give written permission for this to take place.

#### GCSE/BTEC (Level 2) - Year 11 Results

GCSE results day is Thursday 25<sup>th</sup> August – students can collect their results in school from 9.00am until 11.30am.

The sixth form team will be on hand confirm 6<sup>th</sup> Form places and advice will be available around entry criteria and subject choices. Other staff and the careers team will also be available to support with next steps for those students not attending 6<sup>th</sup> Form.

If you are unable to collect your results in person, please e-mail Miss Hodgkinson in advance of results day – [hodgkinson.j@thecoleshillschool.org](mailto:hodgkinson.j@thecoleshillschool.org) – with a student e-mail address and your results will be sent out. Alternatively your results can be collected by a third party on the day if you give written permission for this to take place.

#### Careers Service Webinars

Congratulations to you and your children for making it through the exam season, our first exams since 2019. This August, results will be published, and you might be left with questions about what they mean and how they relate to previous year's exam results. The Careers Service are providing free webinars for parents and carers which will answer all questions you might have. You can register for a webinar here:
