

Dear Parents/Carers

Remote Learning: Year 10

See the below table which outlines the remote learning for your child on Friday 10th March due to the school closure, due to the adverse weather conditions and for the safety of our school community.

The selected topics and activities have been linked to the support what your child is studying in school, in a range of subjects.

It is expected that your child actively participates and completes their learning whilst at home by following the instructions below, using their i-pad.

<p>English</p> <ul style="list-style-type: none"> Please complete all tasks set on Seneca. 	<p>Maths:</p> <ul style="list-style-type: none"> All students will be sitting their exams next Monday (13th) and are encouraged to revise so that they feel prepared. The topics listed below are taken from the topic lists that have been shared with students. Year 10 Foundation – (Sets 3 & 4): Oak National Academy Key stage 4 – Maths – HCF and LCM Year 10 Higher – (Set 2): Oak National Academy Key Stage 4 – Maths – Venn Diagrams Year 10 Higher – (Set 1): Corbett Maths and MrCarterMaths Use topic lists that were given by Miss Costa to revise (these will be uploaded to showbie).
<p>Science:</p> <ul style="list-style-type: none"> Please log on to Seneca and complete the tasks set – You have work available for biology, chemistry & Physics 	<p>Geography</p> <ul style="list-style-type: none"> Please log into Showbie and check if your teacher has set class specific work (instructions in chat function) If there are no specific class instructions, please follow this link to complete the following retrieval lessons on climate change https://continuityoak.org.uk/Lessons?r=2045 https://continuityoak.org.uk/Lessons?r=620
<p>History:</p> <ul style="list-style-type: none"> Please log into Showbie and check if your teacher has set class specific work (instructions in chat function) If there is no specific class instructions, please follow this link to complete the following retrieval lessons on WW1 https://continuityoak.org.uk/Lessons?r=110 https://continuityoak.org.uk/Lessons?r=111 	<p>BTEC Students – Continue preparation for Pearson Set Assignment on Showbie</p> <ul style="list-style-type: none"> Art – Practise drawing skills of pieces of food Drama – Unit 2 evaluation of final performance and the creative process Engineering – Continue with coursework supporting resources on showbie Health and Social Care – Prepare and complete notes for factor one and two of PSA

	<ul style="list-style-type: none"> • Sport – Review and make notes for barriers to participation and solutions • Music – Research commentary for Task 1 – Film and African music, as well your two further style choices.
--	---

Access the learning by clicking on the link, press Control & C or copy and paste into your search bar (using the internet), which will take you directly to the App or web link (these are activated and working on your i-pad during school hours).

Please note: Seneca had an update yesterday which means that most students will need to log in again using the same username and password as before. It will now be run through the web link rather than the app.

For any additional learning (to compliment the above) please go to the Oak National Academy via the following webpage: <https://classroom.thenational.academy/>

We apologise for the disruption and any inconvenience caused. Stay safe and thank you for your continued support.

Yours sincerely

Rebecca Brindley
Head of School
