

September 2023

Dear Parents and Carers

We hope that you have had a good summer and we look forward to welcoming the children back to school this week.

You may have seen recent media coverage regarding Reinforced Autoclaved Aerated Concrete (RAAC) and its use in educational settings.

We wanted to inform you that, following independent surveys carried out earlier in 2023, our buildings are not affected and therefore they will continue to function as normal. I hope that this offers reassurance.

Please see below a reminder of the start of term arrangements, which we sent out in July.
