You are sometimes commended...

ATL 1 – Emerging Learner

You are rarely commended

S Self Management

- because you pay attention at all times.
- because you are always enthusiastic and positive.
- because you present your work to a very high standard and offer clear, carefully explained, extended verbal explanations.
- because you are organised, always have equipment and are always ready to learn.

P Perseverance

- because you go 'above and beyond' in learning, seek out challenging tasks, take risks and know that making mistakes can help you learn.
- because you actively engage in learning, you persevere with your work even when it is difficult, you are willing to learn and improve.

I Innovation

- because you demonstrate initiative in learning, work independently and manage your time well in order to meet deadlines.
- because you show evidence of preparatory work, extended research and use of wider general knowledge in your work.

R Reflection

- because you listen carefully to guidance and read and respond to feedback.
- because you consider the way your actions impact on other learners

I Independence

- because you are focused and set high standards for yourself.
- because you complete all homework, research and revision tasks effectively.
- because you plan ahead and work towards your goals.
- because you are active in sharing your opinions and asking questions when you don't understand.

T Team Work

- because you are a supportive and positive influence in the classroom.
- because you can work collaboratively in a group and can explain why it is important to work well together.
- because you are respectful of diversity in the people you meet and the new content you discuss in your learning
- because you demonstrate consideration for others and you live by the school values – learning & achieving together.
