Careers

As we approach the end of another remarkable term, as a Student Leadership Team we have been reflecting on the incredible spirit and achievements of our school community. The Coleshill School has once again demonstrated its commitment to excellence, compassion, and the community, and we are thrilled to share some of our recent highlights with you.

BEAUCHAMP

DUDLEY

GREVILLE

NEWBURGH

Students and staff paid a £1 donation to take part in Christmas jumper day in December and raised an amazing £1805 for Save the Children! Thank you to everyone who donated.

THE COLESHILL SCHOOL

Inter House Competitions

This October saw the return of the Antarctic flag competition, where students were challenged to design their own flag to represent the continent of Antarctica. There were a wide range of impressive entries displaying Antarctica's landscape and wildlife. Congratulations to our winners Theo, Millie, Harriet and Oliver - their designs have now been passed on to the UK Polar Network who will transport them to Antarctica to be photographed there!

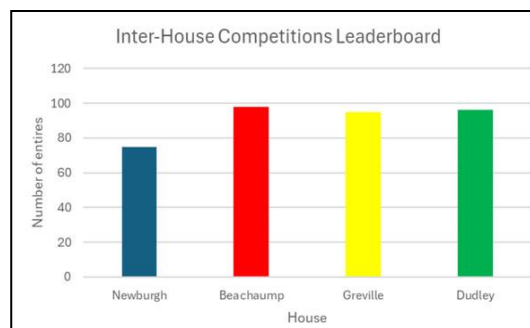

In December students were given the opportunity to participate in the Christmas card design competition. Our winners were Poppy, Yvie and Alex - congratulations! Poppy's card has been used as the school e-card while Yvie's entries was used as the staff Christmas card! All three received a house badge and a Christmas selection box for their efforts.

Well done to Chris who won the Chess Inter-House Competition for Dudley!

Overall, Beauchamp have taken the lead with the most entries into inter-house competitions, closely followed by Dudley, but there is still all to play for moving into the new year!

Look out for our upcoming competitions running next term: Winter photography competition: 13th January - 31st January.

Debate competition: Launching 3rd February

THE COLESHILL SCHOOL

Charity Events

Our students have shown tremendous generosity and kindness through their participation in various charitable initiatives.

The Father Hudson's Christmas Hamper Appeal saw students from across the school donating food items to support our local community. This act of giving not only helps those in need but also reinforces our values of "Be Kind" and community engagement that we strive to instill in our students. Sixth Form students also sang Christmas carols and songs with the residents at Father Hudson's which they all enjoyed.

We are particularly proud of our Sixth Form Leaders who went above and beyond by purchasing toiletry items for a charity in Birmingham as part of the Home Start initiative. A huge well done for their active initiative.

A huge thank you goes out to Raj our ICT Technician, who thoughtfully brought in treats for our staff to celebrate Guru Nanak's birthday.

THE COLESHILL SCHOOL

We Will Remember – The Coleshill School Remembrance Service 2024

Careers

Looking towards the future, we've had some exciting visitors to inspire our students. Representatives from Cardiff University and Cambridge University came to speak with our Year 10-12 students about aiming high and exploring their future prospects. These talks have been invaluable in encouraging us to set ambitious goals and aim high.

Student Feedback

We encourage all of our students to participate in The Big Ask and make their voices heard. By working together, we can create an even more engaging and supportive learning environment that helps each and every student reach their full potential.

THE COLESHILL SCHOOL

School Production of Mary Poppins

The performing arts have always been a vibrant part of our school life, and this term was no exception. Our production of Mary Poppins was nothing short of spectacular! We would like to extend a huge congratulations to the talented cast and a heartfelt thank you to our dedicated Drama, Art, and Music teams. The staff and students have worked tirelessly to bring this magical show to life, and their efforts have truly paid off. It was particularly heartwarming to see former students from previous productions returning to support our younger performers and catch up with Mrs Howell. This continuity and sense of community is what makes our school so special.
