Dear Parents, Carers, and the Coleshill Community

I am delighted to share the fantastic news that following our recent OFSTED inspection, The Coleshill School and its Sixth Form has been recognised for maintaining its effectiveness as a 'Good School' since our last visit. This is a tremendous achievement and a testament to the dedication, hard work, and commitment of our entire school community.

The Ofsted report can be viewed by clicking on the following link:- <https://files.ofsted.gov.uk/v1/file/50272342>

At The Coleshill School, we believe in our core values: Work Hard, Be Kind, and Take Responsibility. These principles are embedded in everything we do, and this successful inspection reflects how they guide our students and staff every day.

We are incredibly proud of our students, who demonstrated their enthusiasm for learning, respect for one another, and ambition to succeed. The inspectors noted their positive attitudes and the strong relationships they have with staff, which create an environment where all can thrive.

Our dedicated staff continue to go above and beyond to provide the very best education and support for our students. This includes providing vast enrichment, extra-curricular and wider opportunities for our student's personal development. Their passion, professionalism, and unwavering commitment have been instrumental in securing this outcome.

We would also like to extend our heartfelt thanks to parents, carers, and the wider Coleshill community. Your support, encouragement, and belief in our school help us to create a positive and aspirational culture where every student can achieve their full potential.

This report affirms that we are on the right path, but we are not complacent. We remain committed to further growth and improvement, ensuring that The Coleshill School continues to be a place where all students flourish academically and personally.

To support us in our next steps, we would like to welcome and offer the opportunity for our local community (parents/carers) to come into school and meet with leaders. We value your opinions and believe that your feedback and perspective is crucial in shaping the very best experience for our students.

The first planned opportunities will be Thursday 27th March from 4.30-6pm and Wednesday 7th May 4-5pm. If you would like to attend, please e-mail us on enquiries@thecoleshillschool.org.uk to secure your place.

Thank you for being part of this journey with us. We look forward to continuing our work together to build on this positive outcome and how we can continue to develop our school for all our students and families.

Yours sincerely

R Brindley
