As the Summer Term draws to a close, it's clear that the past 7 weeks have been action packed and truly memorable! Since our last newsletter, we've enjoyed an exciting array of trips, participated in many sporting activities, and celebrated the outstanding achievements of our peers at the end of year award ceremonies.

This Summer Edition highlights the incredible energy, dedication, and community spirit that has defined our term. Good luck to our Year 11 and 13 Students with their exam results and we wish everybody a great Summer.

## Inter House Competitions

Students celebrated World Earth Day in May by creating posters celebrating this year's theme 'Our power, our planet'. Students were tasked with highlighting the importance of transitioning to renewable energy, with posters promoting the benefits of using renewable energy sources. Well done to Ayva who created our winning poster!

In June students had the opportunity to take part in our short story competition, with students given the prompt of writing about an abandoned house at the end of the street. Well done to Robbie in Year 7 who won with his story titled 'Horror House'. 70 students also took part in an inter-house quiz testing their general knowledge at lunchtime to see who came out on top! A great time was had by students from Years 7-10 who thoroughly impressed with their depth of knowledge.

Following a packed year of competitions ranging from photography to chess to debate to STEM to careers, our winning house this year is Dudley with 202 points! 2<sup>nd</sup> place goes to Greville and 3<sup>rd</sup> place to Beauchamp. A big thank you to everyone who has participated in competitions this year!

## Trips Abroad

Thank you, Mr. Warren, for organising the unforgettable trips to Poland and Paris this year. His hard work made these trips possible for our Year 8 and 9 students. We also want to thank the staff who accompanied the trips, providing support and guidance along the way.

This year, the Year 8 students visited Paris and had an amazing time exploring the city's famous sights. They enjoyed a scenic river cruise down the River Seine, taking in the beautiful views. The trip was made even more exciting with a fun day at Euro Disney, where everyone had a great time.

The Year 9 students thoroughly enjoyed their visit to Krakow, especially the meaningful day spent at the Auschwitz Birkenau Museum, followed by the fascinating tour of the Salt Mine. These journeys have truly enriched their understanding and created memories that will last a lifetime.

## Children's Univeristy

A huge congratulations to the 70 students in Years 7–9 who recently graduated from the Children's University achieving their Gold certificates. Their dedication and enthusiasm for learning beyond the classroom truly shone through, with some students achieving an incredible 1,000 hours of extracurricular activities!

The graduation ceremony at Birmingham University was a fantastic celebration of all their hard work, commitment and love for learning. Well done to all involved! 🦉 🎓

## Dance Festival

The Dance Group had a fantastic afternoon at Alderbrook competing in the North Solihull Street Dance competition. Overall they came 3rd 🥉 with Olivia, Olivia and Ava winning individual medals in the freestyle competition 🥇 Well done girls and thank you to our 6th former Alicia for running the team and choreographing their routine!

## Year 10 and 12 Work Experience

A huge well done to all our Year 10 and Year 12 students for their fantastic efforts during work experience! Thank you to Mrs Bishop, parents, careers and employers who supported this valuable opportunity. We've had a wonderful time visiting and catching up with you all, seeing the great progress and enthusiasm you have all shown.
